#### **QUALITY PRINTERS & CARTRIDGES IS ALWAYS LOOKING FOR SOLUTIONS FOR YOUR BUSINESS**

After extensive research & development, Quality Printers & Cartridges have found A4 & A3 paper that is safe to your printer and the environment whilst offering you the added convenience of ordering your paper with your cartridges.

The quality of your paper affects the quality of your print as well as wear and tear on the parts in your printer, fax and photocopier. Factors such as paper abrasiveness and moisture content of the paper combine together which can make a major difference in the performance and longevity of your printer.

Enjoy the convenience of ordering your printers, photocopiers, cartridges and now paper all from one trusted supplier.
